

# YOUR OWN VET

## ADVERTISE WITH YOUR OWN VET

### so why advertise with us?

**Because it's YOUR pet product you want to sell  
and YOU SHOULD have a say in how it gets  
marketed.**

**Fact - We will tailor your advertising to target the audience your product needs. We will recommend a place in the most suitable position on the website. You will also have a say in where you would like your ad to be placed.**

**Fact - we will offer you three months absolutely FREE advertising for your website, at no obligation to you. We will monitor your statistics and provide you with a report at the end of each month. After that, you pay only \$5 a month for the next twelve months.**

**Fact - we will not tie you into a contract. Any time you wish to discontinue advertising with us, you can. The choice is yours.**

**Fact - You can design your own advert, and we will place it on the website as it is, but if you prefer, we can get our graphic design team to make one for you as well.**

**Fact - Your Own Vet is written by a veterinarian and a qualified animal behaviourist with more than thirty years of experience in the field between them. Your Pet Product will be endorsed by professionals. We know which products work.**

**Fact - We see an enormous amount of traffic every month - nearly 30 000 people. We have a great Google Site Ranking, appearing at the top of page one for many of our most popular searches. And we are growing fast.**
